Joseph H. Saunders Elementary School PTA

To our donors and volunteers

Ladies and Gentlemen:

The Joseph H. Saunders Elementary School, Parent Teachers Association Executive Board (Saunders PTA Board) would like to sincerely thank all our donors and volunteers for your tremendous display of citizenship, pride and community spirit which has been evident since the beginning of the school year. Your generous donations of various goods and supplies; in addition to your volunteered time has served our school community and is without measure. The Saunders PTA Board understands and appreciate the sacrifices each of you have made in order to improve learning at our school. We believe that your involvement and citizenship will have a positive and long-lasting impact on the future academic and social success of all our children

Saunders PTA is a volunteer intense organization and as such, we depend on people like you to help mold our children for a better future. Please continue to support our young "Spartans" by volunteering to read to your child's class or help out with a school or PTA sanctioned event. If you are interested in volunteering for a school or PTA event, just indicate your interest on our website or state your intentions at our next general meeting. Again, thank you! We love your support.

Best regards,
